**INSTRUCTIONS FOR
APPLICATION FOR SB 224 PROJECT BUILDING PERMIT
(OSH-FD-706)**

Do not write in areas designated "OFFICE USE ONLY."

Note: If licensure by the Department of Health Services is not required for your facility, review and building permit by OSHPD are not required. Your application and plans should be submitted to the appropriate local jurisdiction.

A Enter facility name as it appears on the facility license. Enter street address, city, county, zip code, phone number and fax number.

Enter the name of the legal owner, email address, phone number, fax number, city, state and zip code.

Enter the name of the facility representative, email address, phone number, fax number, city, state and zip code. Copies of all correspondence will be sent to the facility representative. If no facility representative address is entered, copies of all correspondence will be sent to the facility address as indicated on the license to the attention of facility administrator.

Scope of Project – Enter a brief (45 characters max) description statement of the work to be performed.

Applicant Job Number – If the owner, designer or builder has a numbering system for projects, enter that number.

OSHPD # – If an application for annual permit has been submitted previously, enter the OSHPD "G" project number. Otherwise leave blank.

Sub # - For Office use. Leave blank.

Facility ID # – Provide facility ID number, if known.

Type of Project – Check which box applies. If this project is intended to be a sub project of an existing annual permit, check "Annual Permit." Otherwise, check "S Project."

Type of Facility – Indicate the type of facility as licensed.

B Description of Project – Describe the work to be performed. Where appropriate, include square footage and quantities. Describe how the project complies with the requirements of Health and Safety Code Section 129875.2 (listed in Section K of the application). Additional pages may be attached, if needed. Indicate if plans describing the work are attached.

- C Estimated Construction Cost/Contract Amount – Enter the estimated construction cost, or, if known, the contract amount for the work.
- D Enter the name of the individual responsible for the construction work, email address, phone number, fax number, city, state and zip code. Check the appropriate box to identify this individual as the owner or contractor.
- If plans are included, enter the name of the individual responsible for preparing the drawings, email address, phone number, fax number, city, state and zip code. Check the appropriate box to identify this individual as the owner, designer or contractor.
- E Special Conditions – This section will be filled out by the OSHPD Regional Compliance Officer, as needed.
- F Enter Facility Name and OSHPD number as it appears on page one of the application.
- G Licensed Contractor Declaration – Provide license class, license number, printed name, signature and date as an affirmation that you are a licensed contractor and that your license is in full force and effect.
- H Workers Compensation Declaration – If you have workers compensation insurance, provide policy number, date of expiration and company in the spaces provided. You may either attach an original copy of your certificate of workers compensation insurance or the Office may verify by electronic means. A certificate of insurance is required for each building permit application. If you have a certificate of consent to self-insure, you must attach a copy.
- I Owner-Builder Declaration – Section I applies only to owner/builder projects. If the owner of the facility or the employees are to perform the work, check the appropriate box in Section H and sign and date this section.
- J Construction Lending Agency – Section J is to be completed when there is a construction-lending agency for the performance of the work. Provide the lender's name and complete address.
- K Enter the name of the individual submitting the application, email address, phone number, fax number, city, state and zip code. Check the correct box to indicate whether this person is the Legal Owner or Agent for Owner. Legal owner or agent must sign and date the form, certifying compliance with the listed criteria.

NOTE: This permit expires if the work authorized is not commenced within one year after the date on this permit, or if work is suspended for one year after construction has begun.
